## EQUIPMENT LEASE AGREEMENT

This Equipment Lease Agreement (the "Agreement") was made and entered on \_\_\_\_\_ by and between SIRIUS ("Lessor") and Mr/Ms \_\_\_\_\_ ("Lessee") (collectively referred to as the "Parties").

The Parties agree as follows:

- EQUIPMENT:** Lessor hereby leases to Lessee the equipment listed on his/her sales/rental order number written below.
- LEASE TERM:** The lease will start on the pick-up date and time as indicated on the sales/rental order number beginning date & time and will end on the return date and time based on sales/rental order number. Total of rental hours/days as indicated on the said sales order number (Lease Term).
- LEASE PAYMENTS:** Lessee agrees to pay Lessor the rental amount of the unit as indicated in his/her sales/rental order number ("Rent") in advance, half (or full) during reservation and the other half to be settled before the pick-up/delivery of the rented units.
- LATE CHARGES:** If the item is returned beyond the agreed end date & time of lease, Lessee agrees to pay a late return fee equivalent to the total extended hourly or daily rate of the rented equipment as rental charge accordingly. The Lessor only allows 2-3 hours for travel time free of charge.
- DOWN PAYMENT:** Down payment (the amount paid upon rental reservation) are non-refundable. This is to cover up operating expenses and loss of earnings due to default cancellation of the Lessee. However, the Lessee has the option to reschedule the confirmed rental date subject to availability of the unit and slot. Changes for the date and time schedule should be notified at least 2 days prior the scheduled reservation.
- DAMAGES:** Lessee agrees to report any damages within 3 hours upon receiving the equipment. If there are no reports, the Lessor considers that all the equipment received by the Lessee is in good working condition. In this case, any damage seen upon return of the equipment/unit subject to repair or replacement shall be shouldered by the client in FULL based on the current market value and repair cost of SIRIUS' technician, this includes but not limited to scratches in the lens area, buttons not working, LCD error, water related damages, accessory damages, missing accessories and etc. The Lessee may also opt to replace the missing/damaged unit and/or inclusions, shouldering the shipping cost going to the Lessor's hub.
- DATA PRIVACY:** Lessor recognizes their responsibilities under the Republic Act No. 10173 (Act), also known as the Data Privacy Act of 2012, with respect to the data they collect from the Lessee during rental reservation. The personal data obtained is entered and stored within SIRIUS' information system and shall only be accessed by their authorized personnel.
- SECURITY DEPOSIT:** Prior to taking possession of the rented equipment, Lessee shall deposit with Lessor, in trust, a security deposit of Php 500.00 as security for the performance by Lessee of the terms under this Agreement and for any damages caused by Lessee or Lessee's agents to the Equipment during the Lease Term. This security deposit is refundable upon unit return in good condition and without missing inclusions. Lessor may use part or all of the security deposit to repair any damage to the Equipment caused by Lessee or Lessee's agents. However, the Lessor is not just limited to the security deposit amount and Lessee remains liable for any balance. Lessee shall not use or apply any such security deposit at any time in lieu of payment of rent.
- DRONE COVERAGE SERVICES:** Lessor will provide everything needed to conduct the professional drone services as indicated in the sales/rental order of the Lessee. The drone operator assigned on the Lessee's event will be the one to assess the weather condition on the event's specific date and time as agreed upon and the venue condition whether what type of drone will be use and how long will be the total flight time. This is for the drone and everyone's safety, who are present on that event. Service time will be a minimum of 3 hours and a maximum of 8 hrs. Drone operator may leave the venue earlier, provided that the service is done, the highlights (if any) requested by the client has been covered and if he already transferred the raw drone footages to the Lessee's digital storage equipment and everything is settled. **The Lessee should secure the drone flying permit from the private/local management of the venue and provide a scanned copy of it to SIRIUS' digital marketing team at least 2 days prior the scheduled drone coverage service to be endorsed to the SIRIUS' drone pilot/operator in advance.**
- BREACHES:** If Lessee breaches any terms or conditions of this Agreement, Lessee shall forfeit any deposit, as permitted by law. By signing the agreement, both parties agree to this terms and conditions and the above mentioned in their entirety.
